Summary of Position:

The Procurement Manager will demonstrate public sector procurement experience, commercial judgement and business acumen to take a role in managing framework sourcing process. This includes ensuring the successful delivery of the framework sourcing program and implementation of supply chain monitoring activities. Specifically, the Procurement Manager is responsible for:

Framework Sourcing: Manage the delivery of the framework renewal cycle, leading on specific renewals and new framework products; to ensure frameworks are successfully procured, remain compliant and provide a market leading fit for purpose revenue generating solution that creates social value and in line with Fusion21's Vision, Mission and Values

Fusion21 Strategic Procurement Policy: Support the implementation and management of Fusion21 Strategic Procurement Policy.

Supply Chain Monitoring Activities: Support the development and implementation of effective supply chain monitoring activities and risk management.

Risk Management: Support the implementation of effective operational risk management strategies that ensure the continued delivery of services and support strategic business resilience risk activity.

Value for Money Capability: Ensure that VfM, and associated initiatives, are integral to the Fusion21 offer.

Stakeholder Management: Building and maintaining relationships with key stakeholders, understanding their business and strategic priorities and developing these into procurement strategies that support key Fusion21 priority areas.

Primary Responsibilities

Procurement Frameworks	<p>To support the implementation of Fusion21's framework sourcing activities, including the renewal of existing frameworks and the development of new frameworks, in alignment with Fusion21's Strategic Procurement Policy. Frameworks must be procured on time, be compliant and are a market leading solution that provide value money for our Members, create social value, and enable Operations to achieve business plan targets.</p> <p>To take a role in partnership with the Senior Procurement Manager and Head of Sourcing to ensure that all Procurement Services frameworks are legally compliant and to ensure Fusion21's compliance with all relevant procurement legislation, including the Public Contracts Regulations 2015 and the Procurement Act 2023, and to oversee the publication of all required statutory notices.</p> <p>Work collaboratively with colleagues to lead and support all key framework renewal activities, as outlined in Fusion21's Strategic Procurement Policy. This includes, but is not limited to tender development, tender management, evaluator training, clarification handling, evaluation moderation, and contract award ensuring fair, objective, and transparent process.</p> <p>Work collaboratively with colleagues to support the design and implementation of framework procurement solutions through organisational research, and effective market and customer engagement.</p>
Fusion21 Strategic Procurement Policy	<p>Support the implementation and management of Fusion21 Strategic Procurement Policy and contribute to the aims and purpose of the Policy.</p> <p>Manage procurement process which contribute to Principles and Objectives of the Strategic Procurement Policy, public procurement and legislative requirements.</p> <p>Support the implementation of the Procurement Act 2023 across Fusion21's procurement activity, embedding its principles within framework design and sourcing processes.</p> <p>To positively act, and lead others, within the organisations roles, responsibilities and approvals for regulated procurement.</p>
Supply Chain Monitoring Activities	<p>To work with the Senior Procurement Manager and Head of Sourcing to support the design and implementation of supply chain monitoring strategies aimed at minimising business risk.</p> <p>To work with the sourcing team and internal customers to ensure the effective transition of supply chain monitoring into operational BAU activity.</p> <p>To support supplier development programme to enable SMEs with issues such as Public Procurement, Carbon Reduction and Social Value.</p>

Value for Money Capability	<p>To support the implementation of a Value for Money by ensuring best practice standards and techniques are utilised across the business.</p> <p>Uphold the effectiveness of the organisation's Value for Money approach to Members including reporting on the account of all cost management initiatives.</p> <p>To ensure that information is accurate, up to date and well maintained on Fusion21's information systems to enable accuracy information management and effective reporting.</p>
Risk Management	<p>To support the implementation of a Value for Money by ensuring best practice standards and techniques are utilised across the business.</p> <p>To develop, maintain, and regularly update Framework risk registers, ensuring that key risks are identified, assessed and mitigated.</p> <p>Maintain accurate records and documentation to support audit and governance requirements.</p>
Stakeholder Management	<p>To build and maintain relationships with key stakeholders, understanding their business and strategic priorities and developing these into procurement strategies that support key Fusion21 priority areas</p> <p>To ensure strong stakeholder management in the performance of all activities</p>
Additional Responsibilities	<p>To be a Fusion21 ambassador</p> <p>To perform in a flexible, customer focused, highly supportive fashion the specific tasks outlined in this job description and such other reasonable duties as the organisation may direct.</p> <p>To maintain a level of knowledge appropriate to the status of the post.</p> <p>To be a committed team member who actively supports team members with the provision of specialist skills or knowledge and the use of flexible resources within the wider team</p> <p>To operate in a professional and safe manner at all times in line with statutory duty and the policies and procedures of Fusion21.</p> <p>To adhere to Financial Regulations and company policies at all times.</p> <p>To undertake any additional duties that may be deemed appropriate from time to time.</p> <p>To ensure that the promotion of Equality, Diversity and Sustainability are central to the organisations activities.</p>
