

Our Cyclical Decoration and Repairs framework

This framework covers pre-painting repairs and cyclical decoration works.

Like all frameworks from Fusion21, the Cyclical Decoration and Repairs framework is run by technical specialists and only features pre-qualified, accredited supply partners.

It offers traditional cyclical decoration programmes including both internal and external works, pre-painting repairs and associated works.

Framework features:

- Supply partners selected by region to promote local delivery
- Flexible specifications to suit your needs
- Choose self-service procurement or let us do it for you
- Available for use on commercial stock

Fusion21 frameworks

We put together frameworks that help you **make a real impact**. They're designed to bring genuine, cashable cost efficiencies to your public sector work programmes without compromising on choice or compliance.

Our role is straightforward – to help you buy smarter and with confidence. Every supplier and contractor is required to meet the highest cost and quality standards. All our framework agreements are OJEU compliant and renewed on average every four years.

Why use a Fusion21 framework?

- Our frameworks typically save members up to 30% on market prices, plus additional indirect savings
- We work closely with you to deliver efficiency savings, sustainable products, project management services and the best possible value
- Mini-competition or direct award call off, for more information visit www.fusion21.co.uk/procurement
- Social value – every pound you invest helps to make a positive contribution in local communities
- No joining fee or annual charge
