

Our Reactive Repairs & Maintenance and Empty Buildings frameworks

These specialist frameworks are designed to support housing associations, local authorities and the public sector with a wide range of reactive works, empty building works and services.

All frameworks from Fusion21 are run by technical experts and only feature pre-qualified, accredited supply partners.

Our comprehensive property maintenance and repairs offer includes: reactive repairs and maintenance for all general building trades and an out of hours service.

Our Empty Buildings framework covers improvements to empty properties; void property repairs; major improvements and building security services.

Reactive Repairs & Maintenance framework features:

- Areas of planned and capital maintenance works so members can combine responsive and planned work programmes
- A separate lot for Call Centre Services responding to and managing calls on an out of hours or 24/7 basis
- Access to highly skilled firms - including SME's - with extensive knowledge and expertise
- Cost options on a project by project basis - including schedule of rates pricing, fixed price per property or bespoke commercial models
- Separate lots for contract spend below £1m pa and spend over £1m
- Use in addition to Fusion21's existing construction offer

Empty Buildings framework features:

- Repairs and improvements to empty properties building trades
- Security of empty buildings; cleaning; removal and disposal of waste; grounds maintenance to empty buildings and pest control services

Fusion21 frameworks

We put together frameworks that help you **make a real impact**. They're designed to bring genuine, cashable cost efficiencies to your public sector work programmes without compromising on choice or compliance.

Our role is straightforward - to help you buy smarter and with confidence. Every supplier and contractor is required to meet the highest cost and quality standards. All our framework agreements are OJEU compliant and renewed on average every four years.

Why use a Fusion21 framework?

- Our frameworks typically save members up to 30% on market prices, plus additional indirect savings
- We work closely with you to deliver efficiency savings, sustainable products, project management services and the best possible value
- Mini-competition or direct award call off, for more information visit www.fusion21.co.uk/procurement
- Social value - every pound you invest helps to make a positive contribution in local communities
- No joining fee or annual charge
