

Our Grounds Maintenance framework

This framework provides members with the services needed to maintain outdoor spaces.

Designed to meet the needs of housing providers, educational institutions – including schools, colleges, and universities – and other public sector organisations, this framework supports improvement and maintenance works for outdoor spaces of any scale.

The framework covers all types of sites including: office parks; grass verges; car parks; estates; parks; gardens; leisure facilities and training facilities; plus sporting and recreational facilities such as parks; playgrounds; football pitches and cricket fields.

Available services include but are not limited to:

- Grass cutting;
- Hedge cutting;
- Shrub/perennial/plant bed maintenance;
- Weed control;
- Litter picking;
- Gritting and snow clearance;
- Tree surveys;
- Arboricultural work;
- Invasive weeds removal;
- Water feature maintenance;
- Landscaping;
- Fencing;
- Street furniture maintenance;
- GIS (Geographic Information System) Mapping

Framework features

- National coverage
- Geographic Information Systems (GIS) lot to manage large ground maintenance projects
- Supply partners selected by region to promote local delivery
- Choose self-service procurement or let us do this for you
- Schedule of rates available for direct awards

Working with Fusion21

Our procurement services help you to make a real impact, designed to bring genuine efficiencies to your public sector work programmes without compromising on choice or compliance.

Our role is straightforward – to help you buy smarter and with confidence. Fusion21 suppliers are required to meet the highest cost and quality standards, whilst all of our framework agreements and dynamic purchasing systems are fully compliant with EU, UK and Scottish legislation.

Why use our procurement services?

- We work closely with you to deliver greater efficiencies, sustainable products, project management services and the best possible value
- Ensure procurement compliance and mobilise your projects quickly and efficiently
- Benefit from aggregated demand and shared risk
- Gain procurement knowledge from a team of technical experts
- Access the most qualified suppliers in the market place
- Social value – every pound you invest helps to make a positive contribution in local communities
- Supports working with SMEs
- No joining fee or annual charge
