Asbestos Awareness

We use Fusion21 to provide various training courses to our tenants. From Food Hygiene and Health & Safety to CSCS training the courses are always delivered to a high standard by excellent tutors at competitive prices.”

Chris Davies, Plus Dane,
Regeneration Trainee Officer

The whole process, from planning and arranging training day's right through to the training and support on the day is nothing short of magnificent.

I am positive it is this that has led to over 95% of our learners passing their training at the first attempt.”

Chris Roberts, Golden Gates Housing
Trust, Employment Initiatives Officer

CITB Health & Safety Awareness

This Site Safety Plus course is a popular route for anyone looking to take their first step towards obtaining a CSCS Labourers (Green) Card.

This one day course can be for those who have entered, or are about to enter, the construction and civil engineering industry. The course gives delegates an awareness of health and safety and how it affects their daily role.

Overview:

This course is the first step towards a CSCS Labourers Card (Green Card) and to the progressive CITB Site Safety Plus suite of courses that range from training for operatives into the industry up to senior manager / director.

Course information:

Duration: 1 day

Cost: From £125 plus VAT (includes cost of publication, registration/certification)

Special Offer

Save money and combine CITB Health & Safety and CSCS Testing from just £199 plus VAT (includes cost of publication, registration/certification, CSCS Card, and resit if needed)

CSCS Testing & Card

CSCS is the leading skills certification scheme within the UK construction industry. CSCS cards provide proof that individuals working on construction sites have the required training and qualifications for the type of work they carry out.

The Scheme keeps a database of people working in construction who have achieved, or are committed to achieving a recognised construction related qualification. Most principal contractors and major house builders require construction workers on their sites to hold a valid CSCS card. The majority of CSCS cards require a construction related qualification as well as a Health Safety & Environment Test passed within the previous 2 years.

Course Information:

For Visitors and Skilled Worker cards:

Duration: ½ Day

Cost: Half day revision, test and card (plus resit if needed) from £97 plus VAT
OR Test and card from £67 plus VAT

For Managers and Academically qualified cards:

Cost: Test and card £67 plus VAT
