

Our Energy Efficiency Framework

This specialist framework supports public sector organisations to deliver energy efficiency improvements on domestic properties and non-domestic buildings.

Like all frameworks from Fusion21, our Energy Efficiency Framework is run by technical experts and only features pre-qualified, accredited supply partners.

It offers external and internal wall insulation, the design, maintenance and installation of domestic and non-domestic solar photovoltaic systems, battery storage and solar carports, electric vehicle charging points and LED lighting, plus cladding replacement.

Framework features

- Achieve energy efficiency outcomes including reduced carbon emissions and increased cost savings
- Increased collaboration with SMEs (more than 83% of appointed suppliers)
- Supply partners appointed based on sector experience, competence and capability, and selected by region to meet local delivery requirements
- Flexible specifications to suit your needs
- Social value delivery aligned to organisational priorities

Working with Fusion21

Our procurement services help you to make a real impact, designed to bring genuine efficiencies to your public sector work programmes without compromising on choice or compliance.

Our role is straightforward – to help you buy smarter and with confidence. Fusion21 suppliers are required to meet the highest quality standards, whilst all of our framework agreements and dynamic purchasing systems are fully compliant with EU, UK and Scottish legislation.

Why use our procurement services?

- We work closely with you to deliver greater efficiencies, sustainable products, project management services and the best possible value
- Ensure procurement compliance and mobilise your projects quickly and efficiently
- Benefit from aggregated demand and shared risk
- Gain procurement knowledge from a team of technical experts
- Access the most qualified suppliers in the market place
- Social value – every pound you invest helps to make a positive contribution in local communities
- Supports working with SMEs
- No joining fee or annual charge
